Dear Shareholder

Elecosoft PLC - Interim Dividend, Scrip Dividend Scheme and Cash Alternative

QUALIFYING SHAREHOLDERS WHO WISH TO RECEIVE THE INTERIM DIVIDEND IN SHARES NEED TAKE NO FURTHER ACTION.

QUALIFYING SHAREHOLDERS WHO WISH TO RECEIVE THE INTERIM DIVIDEND IN CASH MUST RETURN A CASH ALTERNATIVE ELECTION FORM.

QUALIFYING SHAREHOLDERS WHO DO NOT RETURN A VALIDLY COMPLETED CASH ALTERNATIVE ELECTION FORM WILL RECEIVE THE INTERIM DIVIDEND IN SHARES.

I refer to the Company's Scrip Dividend Scheme, details of which were contained in a circular to shareholders dated 7 April 2017 ("**Scheme**") which is available on the Company's website (www.elecosoft.com). Unless otherwise defined, all capitalised terms in this letter shall have the meaning given as set out in the Scheme's terms and conditions.

On 25 September 2017 the Company announced an interim dividend of 0.2 pence per share for the six months ended 30 June 2017 ("**Interim Dividend**"). I write to explain the arrangements in relation to the Interim Dividend.

The Board has determined that the Interim Dividend will be paid in the form of New Shares and that all Qualifying Shareholders shall be deemed to have elected to receive a Scrip Dividend under the Scheme. For these purposes, "**Qualifying Shareholders**" are all those Shareholders who are not Excluded Shareholders and "**Excluded Shareholders**" are defined as:

- a. Shareholders located in, with a registered address in, or citizens of any of the United States, Australia, Canada, Japan, South Africa or any other jurisdiction in respect of which the offer of New Shares would or may be unlawful, where such Shareholders have not demonstrated to the Company's advisers' satisfaction (acting in their absolute discretion) that it would be lawful to make the New Shares available to them without any registration or compliance with other legal requirements in the relevant territory; or
- b. Shareholders who, in receiving a Scrip Dividend under the Scheme, when taken together with Shares in which persons acting in concert with them are interested, would be required to make a mandatory offer under Rule 9 of the City Code on Takeovers and Mergers.

Excluded Shareholders and those **Qualifying Shareholders** who elect not to receive payment of the dividend in New Shares, will receive the Interim Dividend in cash ("**Cash Alternative**").

Qualifying Shareholders should note that this Interim Dividend differs from a conventional scrip dividend, in that, to receive it, Qualifying Shareholders **must actively elect** to receive the Cash Alternative instead of New Shares in payment of the Interim dividend.

This document and the Scheme document together set out the terms on which the Interim Dividend will be paid to Qualifying Shareholders and the basis on which Shareholders may instead elect to receive the Interim Dividend in cash by completing the attached Cash Alternative Election Form for that purpose.

If you have previously completed and subsequently cancelled a Scrip Dividend Mandate, you will still need to complete a Cash Alternative Election Form if you wish to receive the Cash Alternative.

The right to the Interim Dividend is non-transferable.

The Company believes that paying the Interim Dividend, insofar as possible, in New Shares is in the Company's best interests, as it will assist in minimising any reduction to the Company's net asset value as a result of the payment of the dividend.

Qualifying Shareholders who receive the Interim Dividend in New Shares in full should note that they will not receive any cash in respect of the dividend and will be exposed to the risk that the value of the New Shares that they receive will depend on the Company's performance going forward. Qualifying Shareholders who elect to receive the Interim Dividend in cash and Excluded Shareholders should note that their existing shareholdings will be partially diluted by the issue of New Shares in payment of the Interim Dividend.

Terms of the Interim Dividend

The Scrip Dividend reference price for New Shares for the Interim Dividend will be 43.25 pence per Ordinary Share, calculated from the average closing price for an Ordinary Share in the Company as derived from the Daily Official List of the London Stock Exchange during the period of five dealing days ending on 21 September 2017.

The Interim Dividend will be paid in New Shares in accordance with the terms and conditions of the Scheme.

Expected timetable

The expected timetable for payment of the Interim Dividend for the six months ended 30 June 2017 is as follows:

| | |
|-----------------|--|
| 6 October 2017 | Record Date |
| 23 October, 5pm | Final date and time for receipt of Cash Alternative Election Forms |
| 6 November 2017 | Admission of New Shares to AIM and payment of Cash Alternative |

Whether or not you should elect to receive the Cash Alternative instead of New Shares may depend upon your own tax circumstances. If you are in any doubt about what course of action to take, you should consult an independent financial adviser. Please bear in mind that the price of Ordinary Shares can go down as well as up.

Action to be taken

Qualifying Shareholders who wish to receive the Interim Dividend in New Shares

Qualifying Shareholders who wish to receive the Interim Dividend in respect of their Shares in the form of New Shares need take no further action and should not complete or return the Cash Alternative Election Form.

Qualifying Shareholders who hold their Shares in certificated form will receive a dividend confirmation, along with a new share certificate, showing the number of New Shares allotted, the relevant scrip reference price and the total cash equivalent value of the New Shares for tax purposes. Qualifying Shareholders who hold their Shares in CREST will have their member accounts credited directly with the New Shares on the dividend payment date or as soon as practicable thereafter and will separately receive a dividend confirmation showing the number of New Shares allotted, the relevant scrip reference price and the total cash equivalent value of the New Shares for tax purposes. Qualifying Shareholders' new share certificates, where Shares are not held in CREST, will be posted at the risk of the relevant Qualifying Shareholder on the same date as the Interim Dividend is paid.

Qualifying Shareholders who wish to receive the Interim Dividend in cash

All Qualifying Shareholders who wish to receive the Interim Dividend in respect of their Shares in cash (whether they hold their Shares through CREST or in certificated form) must complete and return the accompanying Cash Alternative Election Form as soon as possible, but in any case in order to reach the Company's registrar, Capita Asset Services, Corporate Actions, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, no later than 5 p.m. on 23 October 2017.

Qualifying Shareholders who submit a Cash Alternative Election Form who hold their Shares in CREST will receive the Interim Dividend in cash credited to their CREST account. Other Qualifying Members who submit a Cash Alternative Election Form will receive the Interim Dividend in cash by cheque or, where the Company holds the relevant details for the relevant Shareholder, by BACS payment.

Qualifying Shareholders who have previously completed a Scrip Dividend Mandate to participate in the Scheme and who complete a Cash Alternative Election Form in respect of this Interim Dividend, will be treated as withdrawing from the Scheme for all future Dividends (though they are able to re-join the Scheme in the future by completing a further Scrip Dividend Mandate).

Excluded Shareholders

All Shareholders who are Excluded Shareholders will receive the Interim Dividend in cash. If you receive this letter in any country or jurisdiction outside the United Kingdom you may not treat it as an invitation to receive the Interim Dividend in New Shares unless such an invitation could lawfully be made to you without the Company being required to comply with any registration or other legal requirements.

It is the responsibility of any person resident outside the United Kingdom wishing to receive New Shares in payment of the Interim Dividend to be satisfied as to full observance of the laws of the relevant territory, including obtaining any government or other consents which may be required and observing any other formalities in such territories.

Excluded Shareholders in the United States, Australia, Canada, Japan and South Africa do not need to return a Cash Alternative Election Form.

Qualifying Shareholders with more than one registered holding

If a Qualifying Shareholder owns Shares which are registered in more than one holding, or under different member account ID's in CREST, those holdings will be treated for all purposes relating to the Interim Dividend as separate. In particular, Qualifying Shareholders wishing to receive the Interim Dividend in cash will need to complete separate Cash Alternative Election Forms for each such holding of Shares.

Additional information

The New Shares may be held in certificated or uncertificated form. No temporary documents of title will be issued. The existing Shares are, and the New Shares will be, traded on the AIM market of the London Stock Exchange.

John Ketteley
